

Canvas® Sync and TurningPoint

The integration with Canvas® allows for Turning Technologies users to leverage response devices in class to easily collect student achievement data. Very simply one can import a roster of students from Canvas into TurningPoint and then export assessment data into Canvas.

This document covers the following topics:

- Registering an Instructor Account through Canvas***
- Authenticating your Canvas Account***
- Adding a Course from Canvas***
- Emailing Participants***
- Downloading a Manual Course from Instructor Account***
- Updating Courses from Instructor Account***
- Using a Downloaded Course***
- Uploading Grades to Canvas Sync***

Registering an Instructor Account through Canvas

In order to link your Canvas Instructor account with your account you must create your account through the registration link in Canvas. It is also important that you use your school email address for the registration process.

- 1 Log into Canvas.
- 2 Click **Modules** from the left menu.
- 3 Click **Turning Technologies Registration Link**.
- 4 Enter your **school or organization email address** and click **Create**.
- 5 Check your email and click the link to verify your account.
- 6 Enter all **required fields** as noted by the asterisks.
- 7 Enter and confirm your **password** in the fields provided.
- 8 Select the box labeled *By checking this, you agree to comply with the End-User License Agreement and Terms of Use*.
- 9 Click **Finish**.
- 10 Click **Finish** again.

Authenticating your Canvas Account

Authenticating your Canvas account enables you to sync, update, and/or export your courses.

- 1 Go to www.turningtechnologies.com and **Sign In** to your account.
- 2 Under *Available Courses* click **Sign In**.
- 3 Sign in to Canvas.
- 4 Click **Authenticate**.
The Instructor Account dashboard opens.

Adding a Course from Canvas
